

## TOMATO JAM TACOS

### **INGREDIENTS:**

1 can (16 oz) pinto beans, drained  
½ tbsp. dried oregano  
1 tbsp ground cumin  
½ tbsp. ground smoked paprika  
1 tsp garlic granules  
1 tsp onion granules  
1 c vegetable broth, low-sodium  
1 c white quinoa, cooked

### **SALSA:**

1 c tomatoes, diced  
½ c red onions, chopped  
1 tbsp jalapeno, seeded & chopped  
½ tbsp. fresh garlic, minced  
¼ c fresh cilantro, chopped  
1 tsp fresh lime juice  
Dash of sea salt & ground black pepper  
3 tbsp Detroit Jam Co. Savory Tomato Jam

### **PREPARATION:**

- 1- Mix all of the salsa ingredients together in a bowl. Stir to incorporate well, seal tight, and place in the refrigerator while you prepare the tacos.
- 2- Heat the beans, oregano, cumin, paprika, garlic, onions, & broth in a pot over medium heat. Cook until the broth has evaporated, stirring regularly.
- 3- Heat your hard or soft shells to your liking.
- 4- Prepare your tacos: spoon in some of the bean mix, add a spoonful or two of the quinoa, and top with the salsa.
- 5- Serve immediately & enjoy!

### **NOTE:**

This recipe is vegan, but feel free to replace the beans with cooked ground beef, chicken, or turkey. You can also top the salsa off with crumbed queso fresco cheese.
